

Let's Talk About Cancer Together

Cancer Campaign
in Suffolk
Reducing the fears

**Learn how to recognise the
Signs and Symptoms of cancer
& help to save lives**

**Be aware of the importance of screening and
lots more**

**On our 5 week
CANCER AWARENESS COURSE**

**Produced & delivered by Cancer Campaign in Suffolk working in
partnership with the Caribbean and African Community Health Support
Forum**

This unique 5 week course on Cancer Awareness starts on November 15th 2013 and will cover all aspects of cancer the signs, symptoms, dispelling myths and lots more. It's delivered in an appropriately humorous way with no medical jargon and full of useful information.
